

Hi, my name is Lilo

I get along with everyone

Medium Female Bull Arab Mix Dog

Hey guys! I am an absolute angel! I don't jump fences, I don't break things or dig, and I get along with all people and dogs (although I can be a bit timid around angry or loud people). I don't bark often at all and am an absolute breeze to care for. My foster carers absolutely adore me and everyone who meets me comments on my sweet and friendly nature. I haven't been tested with cats yet but I am sure that if I had an experienced owner I would be able to learn quickly how to be around them. I really like to come inside and be with my people, but I will also stay quietly in the yard. If I am going to be outside a lot I would love to have another dog to keep me company! I know how to sit, shake, and wait - and I'm easy to walk on a lead! So why am I here? I was busted from death row in a rural Qld pound. I was so scared in there! I was surrendered to the pound but nobody who meets me could ever understand why - their loss!
