### Medium Male Whippet Dog

\*LOUIS IS CURRENTLY TRIALING HIS NEW HOME - NO MORE ENQUIRIES/APPLICATIONS PLEASE\* Hi there. The name is Louis! I'm a whippet, and a very handsome one, if I may say so myself! I'm still a young bloke, just a pup .... 9 months old and FULL of energy and cheekiness. If you know anything about whippies you will realise that we are full on, love running and playing, adore our humans (but have a bit of an independent streak at times), very affectionate and loyal, love to learn new things (especially if food is involved), very kid friendly (as long as they aren't in the way when we are belting around like lunatics!), and we don't shed hair, smell doggy or drool! Oh yes .... we are also known as the clowns of the dog world .... we are very entertaining! One thing you need to know about us whippies is that we have what's called a high "prey drive" and will chase anything that runs (we LOVE running!) So although I have met a few cats and don't worry about them when they are just sitting on the fence or wandering around, if one decided to run .... I would most likely chase after it -I can'...
