

# Hi, my name is Sarah

## Looking for love

### Female Domestic Short Hair Cat

This beautiful ginger and white kitten was dumped on someone's door step and ended up at a council shelter facility. We don't know much about their past but they appear well cared for. This kitten is from a litter of 5. This kitten is very friendly and will be well socialised and handled over the next few weeks. The kitten will be Vaccinated (1st f3), Microchipped, wormed, flea treated and will be desexed as soon as is appropriate. We are looking to rehome this kitten into an indoors home while it will be loved and kept safe and protected.

The kitten will be available for adoption in mid-November. Pre-Adoption inquiries are welcome and we can arrange for a viewing of the kitten once all 5 have been vaccinated and have had a vet check-up. Located in Quakers Hill, NSW These siblings could be adopted together: Sarah PetrescueID #487788 Mason PetrescueID #487790 Junior PetrescueID #487791 James PetrescueID #487792 Jack PetrescueID #487793
