

Hi, my name is Mary (Videos Available)

Affectionate

Female Domestic Short Hair Cat

Miss Mary is full of personality! She loves nothing more than attention and showering you with affection and love. She has a non-stop purr and makes adorable happy noises. The happy paws never stop either! Mary also loves to play and being a young girl herself she's got plenty of energy! She enjoys playing with toys and anything on a stick. Mary will quickly find "her spot" and always be found there. She's a petite and gentle friendly girl who just loves people. Mary came to us after we discovered she was in a rural pound and had just birthed 5 kittens... in the dark, lonely and cold pound. Our hearts broke for her and we quickly organised to rescue her. Her babies have since moved to another carer and are just looking for homes as well. She was extremely underweight and malnourished when she arrived. Now her kittens have moved on she is finally beginning to gain condition. Mary likes all the attention and love to herself and must live a solo cat life. She will NOT share with other felines! We have tested her with a medium dog and she was cautious but curious.
