

# Hi, my name is Duke

## Looking for love

### Medium Male German Shepherd x Staffy Mix Dog

Duke is a lovable happy active boy. No-one told him he has a leg missing now. He does everything as normal. He gets excited to go on walks and pulls a bit on lead. He loves to run and is very sweet with people. He loves kids but can snatch treats so best with older kids. He has a smooth coat and weighs about 23.2kg. Duke came in with a useless front leg that was ulcerated from being dragged around. Good with Kids: Shown to be good with kids in the controlled environment of the Shelter. Garden: Needs a home that has more space as well as a garden for exercise and regular walks outside. Suit Part Time Worker: Copes alone for short periods, with training possibly longer but presently does need someone home part of the time.

He comes desexed, C5 vaccinated, heartworm free and microchipped. Also included for the love and health of our dogs is a free Health and Wellness Voucher with our DR Vet
