

Hi, my name is Obi

Looking for love

Male Persian Cat

Obi is a huge lump of squishy love! Weighing in at 6.4kgs, this big boy isn't comfortable around other cats, but is fine with small, calm dogs and of course he LOVES people! Ideally, Obi would like to be an only pet, to have all the love and attention (and food!) to himself! Obi is very affectionate and enjoys some lap time, with people he knows. He can get a little overwhelmed at new things and this can cause him to become momentarily agitated, resulting in a bit of hissing/growling bravado, but he recovers quickly and is getting much better, the more he settles in. Obi will require regular brushing as his coat grows back in and will probably require the odd clip or tidy up. His eyes are good and only need the occasional wipe. Obi is in care in Croydon North
