

# Hi, my name is Hariette (4547) Adorable!

## Female Domestic Short Hair Cat

~ HARIETTE (4547) ~ Just \$75 to adopt this beautiful girl ♥ This beautiful girl was hiding high up in her cage most of the weekend, but then thankfully came down just before close-of-day. She is a very timid girl, but after spending quite a considerable amount of time with her, she relaxed, started headbutting my hand, and then wriggled over for more pats! She's so adorable!!! Hariette looks like she may have had kittens recently. It's possible that she wandered away from home to have them, and I hope that her owners are looking for her.

The gorgeous Hariette was found in South Wentworthville on the 17th November, and is estimated to be 1 to 3 years of age. If not reclaimed, she will be available for adoption from the 25th November and will be \$165 to adopt, which includes desexing, vaccination (F3), microchip and life-time registration (NSW). Prior to this date, please submit an expression of interest by email, which can be downloaded from the following link:
