

Hi, my name is Ac0263 Frenchie

Looking for love

Female Domestic Long Hair Cat

ADOPT FRENCHIE Bonjour mon petit ami humain c'est moi Inspecteur Clouseau. (Hello my little human friends it is I, Inspector Clouseau) Only joking it's me really, Frenchie and I am looking for someone to be my Quasimodo so, I can be your Esmeralda. I am a very sweet beautiful little girl but, I didn't have a good start to life and for a while there things got pretty rough for me out there on the streets and this has made very hesitant and wary around people. I don't like to be touched or picked up but, over the years I have learnt to love and trust my foster mum every now and again I honour her with my presence on her bed while she sleeps and will sometimes kiss her fingers to tell her I do care and trust her in my own way. Now other cats...that's talking my language. I just amore (love) my fur friends and I would be grateful at all times to have a fur friend in fact, I think it would help me learn to be around you to be in company of a friendly fur companion maybe they can teach me how to trust and how to enjoy being made a fuss off. I do love my food and that's...
