Male Domestic Short Hair Cat

Biggles (also known as "Biggie" to his Shelter family) is politely chatty and will converse with you - especially at meal times. He's an active boy for his age who loves to help you with your daily chores. Biggie likes to show off his scratching post skills and is quite frisky...chasing balls is his favourite kitty game. Biggles may be suited to a house with an existing cat. Nothing really seems to fuss him as long as there is lots of love to be shared around and a nice comfy bed to sleep in. Biggie may benefit from a Light diet in his new home as he does have a robust figure. He is desexed, microchipped, vaccinated, wormed and flea treated and ready to go.
