

Hi, my name is Edward (Located In St Albans)

Soft all over

Male Domestic Medium Hair Cat

A big softy in looks and in personality. Edward is a ball of white soft fur with a smooch personality to match. He loves attention. I see him laying with a Demonte collar on a velvet bed. He is very regal. He isn't scared of anything so would be fine with dogs. He found my children 6 and 8 strange to start but came around to them within a few days. Being all white he would prefer to be indoor only as he could easily get skin cancer. He is a gentleman with his litter box and his food. He does like to be the king of his castle so would prefer no other cats but he has been in foster with other cats and doesn't cause a problem just prefers us all to himself.
