

Hi, my name is Wilson

Loves a Challenge!

Male Domestic Short Hair Cat

Wilson is a hard soul for such a little man, he has had a hard start to life. He took upon himself to be the "Protector" of his siblings. Wilson needs a home that has time to help him, he is scared. He is starting to come out of his shell, he can be handled, hugged etc but at first he is terrified. He occasionally hisses but only in warning, then he realises he is going to get smothered in hugs! which even though he wont admit it, he is coming to enjoy them. He loves his food! loves being with his siblings and when i am gone they all play together nicely , playtime with me takes him some time to warm up but when he does its game on! he gets rather upset when play time is over and out of protest runs and hides. He is beautiful, with the right family he will become a beloved pet.
