

# Hi, my name is Misty & Bilbo

Loving & playful

## Male Domestic Short Hair Cat

Bilbo and Misty are a stunning pair of head turners! Closely bonded to each other, they spend all day snuggling together before having impromptu acrobatic wrestling sessions. Bilbo is the larger of the pair, even taking into account his champagne luxurious coat, but it's Misty who has him wrapped around her little paw. With her sleek smokey black tabby coat and dainty white paws, she lets him know when fighting time is over and it's time to adore her. She is also learning to work her magic on people, and it's hard to resist her when she comes rushing up for pats. However, it is only on her terms at the moment, and both Bilbo and Misty would flourish in a home that gave them time and encouragement to build up their confidence. Both Bilbo and Misty are cat social, but as top queen, Misty can be a bit bossy. They are both also quite fond of the resident dog, and Bilbo doesn't mind the resident child, either.
