

Hi, my name is Daisy (5168)

Lap kitty and cuddler!

Female Domestic Short Hair Cat

~ DAISY (5168) ~ Lap cat extraordinaire! ♥ Daisy is a sweet little poppet that came to the facility from Rooty Hill. Despite being so adorable, no one came to claim her, and she is now available for adoption. Daisy is a lap cat, very affectionate, and she even doesn't mind a tummy rub! Her fur is so soft, you will want to pat her all day. Daisy is around 1 year of age, although she is very tiny, and could quite possibly be younger. If you are interested in adopting Daisy, please contact the facility and quote her impound number 5168. Her adoption fee includes desexing, vaccination (F3), microchip and life-time registration (NSW). Meet Daisy #1605168, female, aged 1-3 years, found Rooty Hill December 16 and available December 24 <http://services.blacktown.nsw.gov.au/petsonline/search.aspx?type=1&impoundno=1605168>
