

Hi, my name is Fonzi

Perky, happy, healthy

Small Male Bichon Frise x Maltese Mix Dog

Although this adorable boy is blind he is a perky, happy and healthy little man. Affectionate and loyal. Low to non shedding. As the movie shows he has adapted so well you could easily think he is not blind. He will follow your voice or clicking fingers and even find you with back ground noise. He loves camping, making new friends and smuggles. Other dogs. Fonzi is great with people but is frightened of other dogs. He needs to be the only dog in the home. He is fine when visiting other dogs in the family. Cats. No - Fonzi can't see them when going on walks, so it is not really a problem. Kids. Fonzi loves people and gets excited when someone is nearby - he might accidentally knock a small child over. Regardless, he is over the chaos of a young family and does not like rough play. Size. 7 kgs Exercise requirements. Low - short strolls or playtime at home. How is this dog on a lead? Well behaved. How is this dog off the lead? He must never be let off the lead outside the home. Escape artist. If Fonzi stumbles across an open gate he may venture...
