

# Hi, my name is Marty

## Good to train

### Small Male Jack Russell Terrier Dog

Marty is aged 4. He was very focused on the treats and sat nicely. This should make training easier. He plays ball but isn't too fussed about giving it back, so playing with two balls, throwing one and he drops the other seemed to work out ok. Walked well on the lead. Best for an older family, with kids aged over 12. Marty needs to be the only dog in the house. He comes desexed, microchip , vaccinated, wormed and heartworm tested for \$395. If you would like to meet him please call Jill on 0408491542 and he is staying at Londonderry.
