

# Hi, my name is Finn

## Looking for love

### Medium Male Cross Breed Mix Dog

\* Located in Cairns\* Dog friendly: Yes Cat friendly: Untested House trained: Yes Energy level: Low/Medium Child friendly: Yes (older preferable) \*\* high secure fencing needed\*\* We're a bit unsure of Finn's breed, but he is extremely human focused hence it is a breeze to teach him manners and new tricks. He has remarkably good manners around people, being used to being taken to the office with around 10 people, phones ringing nonstop and he would just mostly chill and not disturb anyone- pretty unusual for a teenage puppy! Doesn't really care about most toys (except really fluffy stuff like dusters and Christmas tinsel) but loooves water and enjoys going places in a car. Finn doesn't care about super long walks but enjoys learning new tricks daily. Finn is an affectionate and gentle chap and it is impossible not to fall in love with him. Finn knows to wait his food, sit, lay, shake, stay, spin around, and is crate trained. He is still learning to heel, but does well running next to the bicycle. He is a happy little character.
