

Hi, my name is Honey B

Sweet

Female Domestic Short Hair Cat

Beautiful Honey B came to us with her three beautiful kittens. She was shy but sweet and still enjoyed a nice pat. She has since blossomed and loves some human love! Honey B is still a little nervous when first met, however soon asks for cuddles, and a warm spot on your lap. Honey has shown a very playful side and will carry her toy snake around the house. Can honey B come warm your lap?
