

# Hi, my name is Cody

## Happy, friendly boy

### Medium Male Cross Breed Dog

If you're looking for a new family member who enjoys spending time with you and is keen to learn new things then Cody could be the dog for you! Cody is a gorgeous crossbreed and is less than a year old. Cody loves people and is keen to please you. For example, his default is 'sit' and he continually looks back and engages with you when you take him for a walk. Cody does jump up a bit while on the lead but loves treats and this, as well as his eagerness to please, means he should be easy to train. He is excited to meet other dogs but doesn't force them to play if they're not interested so could probably be an only dog or an addition to an existing pack if he was introduced properly. Cody is a happy, sweet natured pup who would love a family that wants to play or snuggle with him.
