

Hi, my name is Pa

Looking for love

Medium Male Shar Pei Dog

Pa was saved from death row at the pound. He had 3 growths which we had removed and tested benign. Due to Pa's age he has very little energy and would best be suited as a companion. He enjoys sleeping and the most he likes to move is to readjust to the shade as the sun moves. He is more than happy outside however does enjoy sleeping inside. Haven't yet hear him bark. He's such an easy going guy and truly deserves the perfect home for his retirement years.
