

# Hi, my name is Snap

## Ginger Ninja Kitten

Playful Cuddler Friendly

### Male Domestic Short Hair Cat

Snap and his 2 sisters were abandoned and rescued without their mum. He is a strong, healthy playful boy. He is still shy of humans but socialises well. He is the big brother to his sisters, and looks after them. He loves cuddles and will cuddle up on your lap for hours. His purr will steal your heart <3 Snap may take a day or so to settle into a new home. He is VERY dog friendly so needs protecting from not so friendly dogs. He will love up any size pooch he sees. Snap would be happy in a family with other pets. Snap eats a raw food diet and is looking for a loving forever home, where he is safely kept indoors or in a cat run. Snap is ready to go to his forever home! Snap DOB: January 16 2017 approx Domestic Short Hair. Ginger Tabby

Snap is a healthy raw fed kitten. Snap is desexed, microchipped, vaccinated, flea treated and wormed.
