

# Hi, my name is Quinn

## Super Fun!

### Large Female German Shepherd Mix Dog

Where do we start with Miss Quinn?! She is SUCH a sweet girl with tonnes of personality! She adores other dogs, playing lots, being in and around water, and generally just has an amazing outlook on life. Quinn is a happy go lucky girl with lots of puppy energy. While in care, she has been trained to sit, shake, drop and stay - so continuation of this basic obedience training is encouraged. We recommend a home that is going to be fairly active, so that Quinn receives lots of exercise and enrichment. Ideally, she would LOVE a playful canine brother or sister to knock around with as well. She really is a sweet girl and has a whole lot of love to give to the right family :)

Quinn has recovered from a bad break in her leg when she was just a 12 week old pup - but after 6 weeks of cast, physiotherapy and hydrotherapy - she is good as new and ready to go. Miss Quinn is desexed, microchipped, fully vaccinated, heartworm treated as well as worm and flea treated :)
