

# Hi, my name is Freddie The Fearless Feline

## Looking for love

### Male Domestic Medium Hair Cat

Well what can I say about this little guy? He was first one out of the crate when he arrived into care and was fearless. He still is first one up and at 'em in the morning and last one to crash at night. Big cats don't faze him and he happily approaches his carers cats. He is fast and runs and runs and plays and plays. Commonly heard around his foster home is "oh Freddie" as he flies past you just having the time of his life being a kitten. Then you feel a little paw on you or a little furry rub on you leg and there he is wanting to be picked up and cuddled and what a great job he does of that. He has a big loud purr that is amazing coming from his little body. And he gives the best cuddles in the world. Everyone loves this little guy who is such a little character.
