

Hi, my name is Dakota

Looking for love

Medium Female Australian Cattle Dog x Staffy Mix Dog

* Located in Cairns* Dog friendly: Yes Cat friendly: Yes Kid friendly: Untested House trained: Yes Energy level: High Everyone meet Dakota! She's a happy puppy who is full of energy with a massive heart. She loves nothing more than a trip in the car where she just snuggles down and enjoys the ride, or to cuddle down by your legs under the couch. This sweet little girl gets very excited when meeting new dogs and her inner puppy really comes out to play! Although she jumps up every now and then, she is learning not to. Dakota has basic training of sit, wait and walking on a lead. Dakota is still working on wearing a halti but she is definitely starting to get used to it! She now waits by herself until she is told to eat her food, she's come a long way! She has been introduced to the crate but is still in the middle of learning that her crate is a happy place. Dakota loves to run around the yard and play with her foster friends and always comes to you when she is called. She has been living with 2 cats this past week and absolutely loves them! She knows how to be gentle ...
