Carson is a member of the C-team who were rescued in Maclean by a foster carer over a number of days at the end of October 2016, Mum named Cara by the foster carer's son was found in a garage as the owner was packing to move out. She had a small dog and she worried whether he might have a go at Cara and her family of very young kittens. They stayed in care until they were able to be desexed, immunised and chipped. This has now been done and they are now ready for their new homes.
