

Hi, my name is Fleur (& Flora Bonded Pair)

Looking for love

Female Domestic Short Hair Cat

Meet Fleur: Fleur is the more sophisticated half of her sister Flora (link) and has also celebrated her first birthday. Fleur is an absolute sweetheart, when she came to us she was hiding away and timid but we nurtured her and snuggled with her and now she can't get off our lap. She loves to play with toys with her sister and has a real appetite considering her petite size. They would suit better a family without pets currently. Fleur loves her sister Flora to bits, she will always touch noses and rub against her. As such, they need to be homed together into a family with mature children, people who will give them a forever home. Be careful though, because Fleur will steal your heart, she has certainly stole ours!
