

# Hi, my name is Stella

## Looking for love

### Small Female Pomeranian x German Spitz Mittel Dog

\*\*15. 9. 09 stella has gone on a 2 week trial good luck stella\*\* stella has been surrendered due to the fact her owner can no longer look after her. She is just a little bigger than a normal standard pomeranian. Stella was born on xmas day 2006 so she is just over 2 years old. She is a show dog, so is used to being on lead and in cars, loves kids and company. She absolutely loves other dogs and would love to always have this socialisation with them. . . She needs a good size yard and she needs someone who will take her for walks and exercise her. She has lots of energy but then is quiet the rest of the time. This poor little girl has been debarked so she does not make any noise! she needs a loving home, someone who will love her and not let her down. All she wants is to be part of a family and have a forever home and she loves company

Stella is in very good health
