

Hi, my name is Fern

Sweetheart

Medium Female Cross breed Mix Dog

*companionsforlife.com.au** NOT SUITABLE FOR MALES Fern came into care as a puppy, along with her siblings and mum, she has been waiting for her forever home so patiently! She is a soft girl with a beautiful gentle nature who would suit a single person or a couple looking for a great companion to share their lives and adventures with. She has been raised with dogs and cats, and is an inside girl whose only request is she has a backyard to play and stretch her legs in, and if you have an existing pooch in the family all the better, Fern would love to have a playmate! If you have space in your life for this happy girl, please call Andrea on 0418171896 to discuss Ferns ideal family
