

Hi, my name is Blackie Chan

Looking for love

Male Domestic Short Hair Cat

Blackie is an energetic young cat with the spirit of a kitten. He loves people and will always introduce himself to your guests. Blackie loves hanging around and seeing what you are up to but he is also happy to do his own thing. He loves a good ear and chin scratching session but can play a bit rough when the mood suits him. Blackie will always be at the door when you get home and loves to have a nap with you in bed. Although not always keen to be a lap cat Blackie is a great companion and not shy to let you know how he is feeling. Blackie needs to be the only pet in your life and isn't a fan of other cats. But this puss will keep you plenty entertained and when he shows affection you know you've earned it! Once you meet him you'll fall in love with his cheeky spirit and cool dude attitude!

He is a healthy boy!
