

Hi, my name is Buddy

purring machine

Male Domestic Short Hair Mix Cat

Buddy had a rough start to life, needing surgery to remove one of his eyes. He is the most loving kitten who purrs like a diesel engine when he sees you, and will only be going to the best of homes where I know he will be looked after the way he deserves. He does have sight with his 'good' eye, but it may be reduced, although he certainly doesn't act like it! Everyone who meets this boy adores him, he is such a happy cat! Vet bills for Buddy and his siblings is being covered by Street Cat Rescue, have a look at their Facebook or donate here <https://web.facebook.com/streetcatsatcatmintcottage/>
