

Hi, my name is Squeak

Looking for love

Small Male Fox Terrier Mix Dog

Squeak is a handsome little man who simply ADORES adults and children alike. . He may be in his senior years but our boy enjoys nothing better than to go for nice long walks and having a game of ball catching is his favourite pastime. He is the happiest little man that you'll ever meet and his tail literally never stops wagging.. Squeak interacts well with dogs on his walks but in his new home he prefers to be an only pet. His perfect forever home will be with a family that at least one family member is at home most of the time. Squeak will be an ideal pet for a family with children or a couple that has grandchildren visiting regularly. Squeak needs to be placed in a cat free home.
