

# Hi, my name is Abi

## Sweet natured kitty

### Female Domestic Short Hair Cat

Hi I'm Abi a female black and white tabby. I love to fly around the house chasing ping pong balls and silver Xmas baubles and play with all toys you have for me. I love small spaces in which to sleep and will find a good safe nook for a snooze. Unless the sun is out then I will lie in the sunshine for hours. Pussycat parkour is my favourite game and I will be happy with a family that includes small children and other pets. Of course I can be with any age of child or older families or folk. Boy do I love to eat and I will show you when you come to see me. I'd love to sit on your lap too, for hours. I have been raised indoors with other kittens in a smoke free home. I know how to use a litter box, and I love to climb up a tall cat tree. At the moment I am 3.5 months old, desexed, vaccinated, chipped, dewormed and flead and ready for home visits from Anzac Day. I am with my foster parents in Donvale, Melbourne and will be ready to go to my furever home from Wednesday 26th I am registered with Central Animal Records
