Crystal is the first puppy in our cancer sux litter. We will be donating \$10 from each adoption to Camp Quality in memory of those who have fought this terrible disease. Crystal is a beautiful young girl who has the deepest longing blue eyes. She is eager to please and wanting to spend a lot of time with her humans. Crystal is a beautiful girl who will attract all the attention of the boys, girls, families and dogs due to her alluring presence. Crystal will grow into a solid young lady. Although her looks may attract many adopters she will still need that excellent foundation to become a balanced young lady.
