

Hi, my name is Jeremy & Cassidy Handsome, Fun Loving Bros!

Stunning markings!

Male Domestic Short Hair Cat

These two brothers are stunning as a pair, almost the spitting image of each other just different colours. Their white is pure white, clean and soft and their splodges are striking and stand out against the white, they're just stunning! Their personalities are also very similar and they love each other, hanging out together, playing, grooming each other, just being best mates and brothers. We're very close to adopting these two ourselves at Sunny Days we love them that much, but know that would slow down our ability to take more. So we want to see them go to a home together and only the best home will do! They need to be inside cats but would love an outdoor enclosure where they can sunbake and watch the world go by. They need a family who genuinely love cats and enjoy playing and snuggling with them, and who will spend lots of time with them as they're very social boys and would be lonely without enough human company. Are you this wonderful home for our boys??

The boys are ...
