

Hi, my name is Gavin

Handsome horse

Male Horse

Meet Gavin Gavin is a very sweet horse who was rescued from a sales yard, we bid against a horse abattoir to rescue this handsome fellow. Handsome Gavin is a Standardbred, 7 years old and approx 17 hands. Do you have a horse that needs a friend? Gavin would make an awesome buddy. He would be a wonderful paddock pal. He is great with other horses, he is not dominant and very calm. PLEASE READ: We are not adopting out our horses to be ridden. We would hate for these horses to end in a sales yard again due to being adopted with the only view that the horse is rideable. Pets Haven want forever homes for our horses and feel the option of being paddock pals will ensure their safety. Our horses will be adopted on a permanent lease, ensuring they will return to us rather than risk the knackery again.
