

Hi, my name is Brick

Looking for love

Male Domestic Short Hair Mix Cat

Brick, Tennessee and William are brothers and were born in the roof space of a suburban house. They were named after Tennessee Williams' play *Cat on a Hot Tin Roof*. Brick was named after the main character played by Paul Newman in the movie. The boys are approximately 8 months old and are very friendly and playful. They are still very kittenish in their behaviour. They love their toys and wrestling and chasing each other. They purr very loudly, love pats and run to people for attention. They love playing together and like dogs too. They have short, very soft silky coats. Tennessee is the boldest, and he loves his foster carer's dogs. William is the prettiest but can be a bit shy of new people. Brick is the smallest and is probably the most suited to being an only cat. He is a little more independent but still loves his pats and attention.
