

Hi, my name is Isabella And Lucia

Lovely mother and daughter

Female Domestic Short Hair Cat

Meet Isabella DOB 29/5/16 (one eye, champagne and white) and Lucia DOB 2/7/15 (ginger and white). These two have had a tough start to life but have the sweetest personalities. Isabella is partially sighted which was thoroughly checked by the vet and ophthalmologist and isn't believed to get any worse. Lucia is Isabella's mum and also her seeing companion and so they must be adopted together. They are very gentle and need to go into a home with adults only, a quiet environment so they can learn to be confident girls in a loving home. They must also be indoor cats only. They are desexed, microchipped, vaccinated and flea and worm treated.
