

Hi, my name is Ak1892 Fyfe

Looking for love

Female Domestic Short Hair Cat

👋 MEET FYFE 👋 Nature Hello, my name is Fyfe. I'm a real special girl with a beautiful purr. I have so much love to offer you, if you are patient with me. I really love cuddles but I just get scared. My foster mum waited months before I gathered up my confidence to give her a cuddle...but now I cuddle her every single day. 😊 I'm another lucky colony cat that was taken in by Perth Rescue Angels and given a much better life than the one I had before!

At first, I didn't like people and would just hide, but over time I got used to being around them. I now happily walk around everyone in my foster home, but am still learning to let them pat me. Companions (Children, Cats & Dogs) I really like being with my fur friends and my foster mum usually finds me cuddling up with one of them. Do you have a fur friend for me? It's okay if you don't but it would be nice! I also have lived with a Kelpie so I can learn to get along with doggos too. Who knows, we might even become good friends! I haven't really spent much time with children, I'm wary of them and generally run when I hear ...
