

Hi, my name is Zenobia

Looking for love

Female Domestic Short Hair Cat

Little Zenobia was born on the streets. She arrived in foster care at about 10 weeks old, with her Mum and siblings. When she first arrived she was terrified of humans. It took her quite some time to calm down and start to interact with the humans in her house. Zenobia can still be very unsure around people. She likes to be up higher than you so you don't look so scary. She loves to play with her humans, fishing rod toys are her favourite. Zenobia will need a very safe and secure home to call her own. Her family will need to be very patient and understand it will take her a long time to settle in. Zenobia would love a confident feline in her home to show her the ropes.
