

# Hi, my name is Luna Moonface (Located In Thornbury)

Playful Princess

## Female Domestic Short Hair Cat

Luna is a fun-loving little lady who's looking for a forever home! Little Luna loves being snuggled up next to you; on your lap; in bed, wherever! And if she's not sat on top of you, she'll be sitting nearby, you've always got company with Luna around. Luna is a very chilled out and independent cat who will happily sleep all day, and then curl up on the couch in the evening and watch a movie with you, which is perfect for someone who works full time. She also she loves to play, and if you let her she will chase her toy around non-stop! Conveniently, she can also fetch, which means you don't even have to leave your seat during playtime! Luna is a social and talkative cat, if she wants something- be it food, pats or play, she'll let you know! If you're looking for a companion cat to cuddle with, you've found her! Want to meet me in person? Then please complete the online application form I can't wait to say hi!
