

Hi, my name is Tammy

Beautiful marking.

Female Domestic Short Hair Cat

Tammy is a gorgeous and sweet blue/tabby/white girl. She was trapped from a colony and desexed. She was friendly from the start. We could not let her go back to the street. She will come for cuddles and she love it. She gets along with the numerous rescued cats but would benefit from her own home and family. This we believe will make her blossom in the right loving household. We are looking for indoor home or home with suitable cat run for Tammy.

Tammy never was around little children and dogs. Tammy is desexed, microchipped and vaccinated. She is also registered for life. She is located in Colyton - Western Sydney.

Tammy is Fiv positive.
