

# Hi, my name is Nala

## Looking for love

### Female Domestic Medium Hair Cat

Meet Ligi and Nala, this great duo was surrendered to the shelter due to no fault of their own, and are looking to find a home together! This is Nala's second stint here, last time she had knee surgery which has healed great! Nala is the more outgoing of the pair, she is confident, affectionate and very interactive! Ligi is the more cautious kitty, he is a little wary of unfamiliar people, and doesn't like noise, but is otherwise a playful and affectionate boy (plus who could say no to those big eyes!). These two would suit a home without young children (calm teens would be fine). Apart from each other, they would prefer not to live with other cats. Due to their fair colouring they will need to be indoor only cats (shaded cat-run welcome). They will love some daily interactive playtime with toys, and your devotion! If you are ready to take both these loveable cats home today, please come and meet them!
