

Hi, my name is Rufus Humphrey

Family-Friendly!

Male Domestic Short Hair Cat

Rufus is a little kitten with a big personality looking for the perfect home!! He has grown up with his siblings as well as adult cats, dogs and rabbits so he will be suited to a home with other animals and children as he is well socialised! He loves to play, nap and eat and offers hours of entertainment as well as snuggles. Rufus has grown up in-doors and would suit an indoor home ideally with an enclosed cat run for some outdoor time. If you don't have a cat-run he will be content inside as long as he has enough stimulation including toys and time spent playing with you. He is fully litter trained.
