

Hi, my name is Sibyl

Smoochy and friendly

Female Domestic Short Hair

This is pretty five month old kitten is Sibyl. She is yet another little lost soul from the pound. But we have changed that and now need to find her new forever home. Sibyl loves smooching and cuddles - when she's ready - and she she settles into a new home her lovely personality will shine through and she will make a delightful companion for some lucky person or family. Her pretty tabby and white markings make her really cute. She is only small at the moment so we had to guess her age, but we are almost sure she is only about five months old and will be a smallish cat. She is unsure about dogs so either a dog free home or if you have a dog one that is very cat friendly and gentle is preferred. We do insist that our cats are kept as indoor cats to ensure their safety and to respect your neighbours and our native wildlife.
