

Hi, my name is Sasha

Looking for love

Medium Female German Shepherd x Kelpie Dog

Meet beautiful Sasha the three year old Border Collie cross German Shepherd Dog. Sasha is a beautiful girl but we are looking for someone who is very dog savvy and understands dogs well to be to adopt this girl. She doesn't like 'all' males, and needs some time to get to know new people. She is very loving with her foster carer, and the dog walkers that take her out, so it really is about giving her the time to get to know you. This is the GSD in her. Sasha will need a very active home where she can get daily mental and physical stimulation and to be able to join you on all life's adventures! She loves her walks and loves playing ball – that's the kelpie in her! Sasha will need a lot of human interaction and love in the beginning to reach her full potential as she has a big heart and wants to use it! She has been an inside/outside dog and has basic obedience but will need ongoing training to bring out her best. Sasha deserves a home that will give her a second chance as underneath her nervousness she has a lot of love to give. She needs to go to home ...
