

Hi, my name is Barnaby

Looking for love

Medium Male Border Collie x Schnauzer, Miniature Dog

Barnaby is a very smart & obedient young dog who is very eager to please. Barnaby is very affectionate and wants to be included in what the family is doing. He is initially shy of men but give him a few days and he will be asking for cuddles. He is basic obedience trained and knows sit, stay, lay down, come and also shakes hands. Barnaby will need at least one long walk each day. Barnaby is good with other dogs and is very submissive, is good with cats and also great with children of all ages. He is a quiet dog and rarely barks, he would love to become a family member in a quiet home. Barnaby is happy in his own company as long as he has some toys to play with and a bone to chew on while you are at work. When you come home he greets you like he hasn't seen you for a very long time, his carers are working on his excitement levels when they get home and he is already learning that he won't be patted until he is sitting nicely. Barnaby is a wonderful dog and everyone who meets him falls in love.
