

Hi, my name is Rosie * On Trial With My New Family *

Will be your shadow

Large Female German Shepherd Dog

Rosie is an older girl who is looking for a loving home where she can be someone's companion and friend. She will be your shadow and follow you around the house. Rosie came to us with skin issues caused by food allergies. She is now on a non-allergenic diet which has helped her a lot and she is a much happier girl with a thicker and glossy coat. Rosie also enjoys playing with toys now which she didn't do before so is feeling so much better in herself and also likes to do zoomies around the back yard. Rosie is looking for a home where she is the only animal as she doesn't like other dogs. Not sure about cats but is likely she may not be good with them also. She is good with people.
