The Ideal Offsider!

## Medium Male Staffordshire Bull Terrier Mix Dog

Introducing Champ! Champ is the kind of guy who would love nothing more than going to work with his new forever Mum/Dad each day, but will happily sit at home and loyally await your return to smother you in his love and affection. He loves to ride in the car or on the ute tray and really loves the wind in his fur.

He loves his favourite teddy bear, despite the missing limb(s), and it keeps him company when the humans are away from the house. A bone to chew, a dog friend or a toy to play with will also keep him happy all day. Champ is high energy and runs everywhere so a medium/large yard and high fences are preferred in his new forever home. Don't have a huge yard? Never fear! Champ would be more than happy to settle for an evening walk/run with a member of his forever family. He walks/runs well on a lead. He is loving and gentle with young children and other dogs but is a little too excitable around cats and is not good around livestock. He is very clever and loves to be taught new tricks. Champ is very food motivated and this can be used to further his training. H...
