

Hi, my name is Kie

loving playful

Female Domestic Short Hair Cat

Kie came to us with her mother and 4 siblings early in 2017. Her mother was found on a vacant property with no form of identification and no one knowing where she came from so we called her Kinki as she had a kink in her tail and some of the offspring do too and Kie is one who does. Kie is a beautiful tabby and white teenage girl who has come from a lovely extremely affectionate family. She is gentle loving active very playful but not in your face as her sister Kisha is. She lovely young cat who has been desexed vaccinated and micro-chipped ready for her new home as are her whole family.
