

# Hi, my name is Peaches

## Looking for love

### Female Domestic Short Hair Cat

Peaches is a very sweet very affectionate kitty. Her owner has Alzheimer's and is at the stage now he can't look after her. Peaches seems ok with other cats - did a bit of growling when we first bought her home but another cat was growling too so I think that set her off. She's very quiet, she's harness trained and litter trained. Loves cuddles. Not sure what she's like with children but i would think she's ok. She adjusts to people really quickly. She's got a whole box of goodies to go with her. Some food, litter, bowls, toys and a bed
