

Hi, my name is Elly

Tuxedo queen

Female Domestic Short Hair Mix Cat

Say hello to Elly! This tuxedo queen is looking for a human she can make her slave. Her list of demands include being the little spoon, head pats and wet foods. She is an affectionate girl who just wants to love and be loved. She prefers her human's feline affections to be directed towards her alone, and while she currently coexists with other animals would prefer to be the solo target of your love. Her quirks include saying hello with a nose lick, and that she is missing a single toe on her front left paw (rumour has it she lost it in an illegal gambling den in Russia). It causes her no issues other than limited jumping ability, which makes her an excellent indoor/outdoor cat as she cant stray far. If you would like to meet this majestic lady, she is located in Fawkner.
